Part A – Write two professional emails

Email 1: Requesting an Assignment Extension

Subject: Extension Request: Computational chemistry assignment 4 – Abhijeet Wadnere

Dear Professor Vipin Kumar

I hope this email finds you well.

I am writing to respectfully request a brief extension on the upcoming Computational chemistry assignment 4, which is currently due on 19/5/2025. Due to an unexpected personal emergency, I have fallen slightly behind my intended schedule for this task.

If possible, I would appreciate an extension until [Proposed New Date]. I am committed to delivering high-quality work and believe this extra time will allow me to meet the standards of the course.

Thank you for your time and for considering my request. I look forward to hearing from you.

Best regards,

Abhijeet Wadnere

Email 2: Expressing Interest in a Summer Internship

Subject: Summer Internship Inquiry – Abhijeet Wadnere – B.tech in CSE AIML

Dear Shriram sir,

My name is Abhijeet Wadnere and I am a 2nd yr student at VIT Bhopal university majoring in CSE AIML. I am writing to formally express my interest in a summer internship opportunity with Umbrella corporation within the computer Engineering team.

I have been following Umbrella corporation's recent work on Bio enzyme for cancer cure, and I am deeply impressed by your commitment to company value. With my background in Coding skills, I am eager to contribute to your team while gaining professional experience under the mentorship of your industry experts.

I have attached my resume and cover letter for your review. I would welcome the opportunity to discuss how my skills could support Umbrella corporation this summer.

Thank you for your time and consideration.

Sincerely,

Abhijeet Wadnere
